Our annual Friendship Meet was a big success!! It was the first time we needed to host it off-site, but that didn't stop it from still feeling like a fun and friendly meet like always!! Our boys had a few ups and downs with their performances, but overall we were very pleased especially since (now that we are in the middle of the season) we needed to try out some new skills here and there with some of the boys' routines. The boys will continue to work on weak point training, while also steadily improving upon their bonus skills / new skills for the future.

A big thanks to our amazing boys team parents for all the help before & during the meet!! You guys are awesome!! We look forward to continually hosting bigger and better meets!! Speaking of which...we are hosting the Level 4/5 North State Meet at the McKinney North High School the weekend of Friday to Sunday, April 21-23. We will need each and every boys team parent to step up and be available with much of the behind the scenes prep, the donations, volunteer time with set up, running the meet, and tear down. Please make sure that your entire weekend is available. It will be huge!!

**GO EWA!!**
